

Index to Volume 39 Numbers 1-7 January-June 1984

This index is divided into two sections, the Name Section and the Subject Section. *Articles* are entered under the name of the author(s) in the Name Section and under one or more subjects in the Subject Section. *Organizations* appear in the Subject Section. *Book reviews* are found under the writer of the review in the Name Section and under "Books" and one or more other subjects in the Subject Section. AORN Standards, Recommended Practices, and Home Study units are entered under the appropriate subject(s) and under "AORN" in the Subject Section.

BEGINNING WITH THIS INDEX, subject headings are taken from the *Cumulative Index to Nursing & Allied Health Literature*.

Abbreviations used in this index:

AS (Ambulatory Surgery column)
BR (Board Report column)
bk rev (book review)
CI (Clinical Issues column)
ed (editorial)
educ (AORN Education column)
Ethics (Ethics column)
guest ed (guest editorial)
HQ (Headquarters Report column)
HS (Home Study Program)
JCAH (JCAH column)
jt auth (joint author)
L (letters)
law (OR Nursing Law column)
legis (Legislation column)
NC (Nominating Committee column)
O (Opinion column)
PM (President's Message column)

The numbers following each entry refer to volume, issue number: page.

NAME SECTION

Adams, Rebecca H, Fry, Donald E
Surgical suite reconstruction. Infection control 39,5:868
Allen, Janice
The social policy statement offers a direction for the '80s (educ) 39,2:161
Austin, Meg
A report on the President's Commission (Ethics) 39,6:951
Bailey, Cecelia J, Gulczynski, Barbara, Racky, Denise, Vehrs, Karen
Epidural morphine infusion. Continuous pain relief 39,6:997
Ball, Patricia
Film review: The sterile environment 39,5:786
Barness, Sonia K, Long, Cathryn S

Perioperative nursing. A special project 39,4:609
Barringer, Robyn
jt auth see Leatherland, Jane E 39,7:1143
Bartlett, Carolyn
